Murrieta Rotary invites you to join us in presenting the 2022 edition of the Field of Honor, the awe-inspiring, week-long display of American flags that has evolved into one of the region's premier events.

Your support for this community event helps fly more than 2,000 American flags during the Veterans Day week. These flags honor military veterans, active duty men and women who still serve, those who have given their lives for us, the first responders who protect us and the many others who have made our lives special.

Net proceeds fund Murrieta Rotary's extensive list of service projects and contribute to completion of the veteran's memorials in Town Square Park and Rotary's Murrieta Through Time historical project. The Field of Honor helps fund scholarships for well-deserving students, leadership camps for middle school and high school students, literacy programs, an annual dance for special needs adults; it provides for clothing for elementary age children to go back to school; it funds our international service projects; awards for teachers, firefighters and police; and makes us able to respond to others in need. Thank you for your support!
